

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England)
Order 2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2022/62/93080/W

To: Martin Brown,
Harlequin Group
Rutland House, 5, Allen Road
Livingston
EH54 6TQ

For: BT Group Plc

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

REMOVAL OF EXISTING BT PHONE BOX AND INSTALLATION OF
REPLACEMENT BT STREET HUB (WITHIN A CONSERVATION AREA)

At: ADJ, 2/4, RAMSDEN STREET, HUDDERSFIELD, HD1 2SZ

In accordance with the plan(s) and applications submitted to the Council on 15-Sep-2022. The reasons for the Council's decision to refuse permission for the development are:

1. The proposed Street Hub would include illuminated screens on both sides. These are an integral part of the development under consideration, as set out in paragraph 2.2 of the Planning Supporting Statement. The proposed Street Hub and digital display screens, owing to their scale, prominent siting, means of illumination and the presence of other similar installations in the immediate vicinity, would be a visually intrusive feature that would cause harm to the visual amenities of the locality and less than substantial harm to the significance of the Huddersfield Town Centre Conservation Area as well as the nearby Grade II listed buildings of 71 New Street, Huddersfield Town Hall, Queensgate Market and 62 New Street and their setting. Having regard to the cumulative impact of similar installations already in existence, including on Ramsden Street, High Street and New Street, the proposal would add further illuminated street clutter which would detract from the character of the wider Town Centre, and would prejudice the aims of the Huddersfield Blueprint, a ten-year regeneration initiative to rejuvenate the town centre and enhance public spaces. The harm caused to designated heritage assets would be less than substantial and the public benefits associated with the proposed development would not outweigh the harm caused. The proposal is therefore contrary to Policies LP17 (a), LP24(a), and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the NPPF and Sections 66 and 72 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. The case officer did not request amended plans or additional information since the planning concerns related to the principle of the development rather than details.

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) the specified period starting from the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorate website](#)
Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#)
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
