Hud 238 – Postcode HD1 4DL Wholly unacceptable on the grounds of public safety. This footway forms an important route for students from Greenhead College to and from the town centre, including to the bus station. This unit would unacceptably reduce the width of the public footway.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
