Dear Sir/Madam,

I am now going to try to attach the photos - each as a pdf. Could you let me know if you receive them and can open them.

Thank you,

Good morning. Thank you for your email.

Unfortunately, we are unable to access the attached pictures due to the file type. Would it be possible for these to be re-sent as PDF documents (or alternatively within an attached Word document)?

Kind regards

DC Admin

Dear Sir/Madam,

This afternoon I sent an objection to the planning application **2022/93230**

Could you kindly attach these pictures to my comments.

The pictures show the effect of the sandy slurry on Cartworth Moor Rd and Cartworth Bank Rd, emanating from Windy Ridge Quarry and running down to the River Ribble.

The first shows the exit from the row of houses at Wellhouses onto Cartworth Bank Rd.
