| <p>The impact on 10 more properties and their vehicles on the already congested Moor Lane has not been considered. The homes will also have visitors, where will they park? On the already overparked Moor Lane where arguments between inconsiderate, dangerous drivers and dangerous parking is already causing the current residents a daily headache and is a huge problem.</p> <p>There is also another proposal for more new homes higher up Moor Lane, when does it stop?</p> |                              |
