Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This is a historic listed building. It has been used by community groups for many years and is a key building within the community. The community will benefit more from the use of this building as it is a dancing school which many members of the community access and a cafe which is also accessed by many members of the community, not as private properties. The facilities for the community should not be removed for another persons individual monetary gain. They are already receiving an income from this building as it is and this should remain the case whilst allowing it's use to impact many lives. The owners would be at no deficit from the building staying as it is but the change in its use would negatively impact many people. Plus this historic building should remain as it physically is for many years to come, not be changed and this history lost to future generations. We need to protect our historic buildings.
