I just think it would be such a shame to lose such a wonderful building to more 1 bedroom flats. The road on there's is so busy already and would most definitely struggle to cope with 10 flats. The building it's self serve the local community so well in its current state, I've had my children in the past use the baby class they've had there and my wife has. There isn't loads of places like the dance house about and it would be such a high loss to the local community. I hope the council realise what a mistake it would be to convert this building. We soon won't have builds like this anymore sadly.
