<p>Redevelopment of the building will mean the loss of a well used and much appreciated community asset. The large upper rooms are used for many dance and exercise classes across all age ranges. The ground floor and garden areas are used as a very popular cafe where people from both the immediate and wider Gomersal, Birkenshaw and Birstall areas can meet.</p> <p>While the need to increase the housing stock is understood, this drive must be balanced with the provision of facilities and services for people living in the houses. Closing an existing and active community asset further reduces facilities for the Gomersal area which has already suffered the closure of Red House and the intended closure of the Gomersal Public Hall.</p>
