<p>I can only echo what appears to be the main concern in the comments objecting this terrible idea- the increased traffic and vehicles pulling in and out of that location would be dangerous. The road is already terrible never mind adding more to the issue.</p> <p>Is there really a requirement for one bed flats in Gomersal? If so, maybe the council shouldn't have been so hasty in boarding up Gomersal First school. Also I am concerned about the clientele that this will attract..will the developer be obliged to provide a certain amount of flats to the local authority?</p> <p>It would be an absolute shame to pass this planning application - I hope the applicant reconsiders and put the community heart first</p>
