<p>The Dancing House is an historical building & it has existed as such for many years. Generations of Families have grown up with the Dancing House central to their childhood, as do the young adults of the area today. The team who run the two businesses housed there, work hand in hand, making it a welcoming place for people to meet, learn, chat & eat. For so many it is a rewarding experience to go & take part in activities. It's a hub for the community, something much needed today. This facility would be an extreme loss to the local area, especially the young who have very little else to replace it.</p>
