<p>Turning this beautiful building into flats would be a real shame. The building adds character to the area and it has been the home of dancers and dancing schools for over a 100 years. Moor Lane is already very congested with cars double parked and 10 extra flats would make the congestion a lot worse.</p> <p>The dancing house is an asset to our community providing a safe place for youngsters to socialise, dance, build confidence, and develop friendships. Loosing this to flats would be a big loss for the community.</p>
