<p>I would like to object against the planning of turning this building in to flats.</p> <p>This building has historical history within gomersal and a well know meeting point for the community and surrounding areas.</p> <p>By turning this building into flats it will take away the look of the building and create unnecessary housing in an already crowded area .</p> <p>This road is a rat run at the best of times with extra traffic from 10/12 more vehicles through out the day.</p> <p>It will take away a green area (the current cafe garden) that is used by the 200+ children that use the cafe and the dance school.</p> <p>I think it will be unnecessarily modernised and the extension will take away the look of the old building and It will make the start of Moor Lane look more enclosed. It will also loose the character inside of the building, the old wood floor and fireplaces, the ceiling beams and wooden and glass partition walls .</p> <p>It would be unnecessary to change this building.</p>
