I object to this beautiful building being destroyed to be turned into flats. It has always been a dancing house and is an important part of our village. To lose this would be detriment to our young peoples mental health and well-being as they can exercise and meet friends here. This is a thriving business. As well as the dancing a local football group runs classes for young children and there is a busy cafe too. This building is near a busy main road and there is not enough room for the cars that 10 homes would generate with most households now owning at least 2 cars each.
