<p>This Building has been used for years as a place for so many children and adults to dance, express and perform. We need these buildings for the mental, physical and social well being of dancers now and for the continued future of generations to come! Taking establishments like this away from children and adults lovely hood will have an adverse effect to all involved! This building should not be used to create more homes because it is already a dance / performance home to so so many people .</p>
