<p>The dancing house has been and still is a community hub for the local area. It serves as a dance school and a local cafe which is how the building has been served for many many years. The character of the property has remained throughout and is a fabulous building in the local area that would be ruined by conversion into apartments. The other major factor is the traffic and disturbance to what is already a very busy road. 10 apartments would increase the traffic excessively and in a consistent manner. At the moment there are periods of high traffic when the dancing house is in use but this is minimal in the grand scheme of things.</p>
