| <p>In the area there is a shortage of rental properties, I think this proposal of flats will benefit a vast amount of people.</p> <p>There will be allocated parking so this will reduce the amount of cars parked on the road by the building, during certain times of the day it is very dangerous and difficult when using this road with regards to the double parking.</p> <p>Local tradesmen will benefit with the required work on the property.</p> |     |
