<p>The Dancing House itself as a long standing building is an important landmark in Gomersal and adds charm to the area.</p> <p>As a business it provides a necessary and wonderful place for children to meet other like-minded young dancers and performers alike. To lose this performance arts provider would be devastating for many that live in and around the area.</p> <p>Too many of these beautiful buildings that offer depth and personality to a village are getting turned into yet more accommodations for profit.</p> <p>Local residents complain of traffic but many local services like churches, scouting and girlguiding venues etc. also suffer inadequate parking but that shouldn't mean they get closed.</p> <p>We should support this wonderful hub for talent and socialising and not condemn it to yet more modern development.</p>
