<p>What a crying shame that there are plans to turn yet another historical building in our local area into flats. This building has been a centre for dancers since the early 1900's and is to date. Surely a building with such historic cultural interest should be protected from being destroyed for yet more flats.</p> <p>In terms of parking I notice that there are 10 spaces for 10 flats, with 2 visitor spaces.. parking is already at a premium on Moor Lane, if most households living there have 2 vehicles where are the extra 10 cars going to park?</p> <p>Additionally if construction were to commence, there is inadequate room for large wagons to manoeuvre safely without causing major disruption and danger to residents and road users.</p>
