<p>I remember taking my Grandad to the Cafe and he hadn't realised it was the place he used to go to dance as a teenager 70 years previous.</p> <p>It was a hub for the community then and it still is now. As an entertainer I get to work there a few times each year. The place is always full of dancers, waiting parents and groups of families and friends.</p> <p>It would be a great shame to lose a community hub like this at a time when we need it most. A real shame and I hope whoever makes the decision considers the impact it would have on thousands of local families.</p>
