<p>Moor Lane is already busy with traffic and the addition of 10 apartments is not going to make this better. Parking for at least 20 cars is needed on site or these will overspill onto a road with significant parking problems.</p> <p>Whilst the current use of the building creates traffic, this is only noticeable for a couple of hours on a Saturday morning and is not daily issue.</p> <p>In addition the Dance House and cafe provides a community space and service that would be very much missed if it was to be converted into flats.</p>
