The dancing house holds a large grassed area with foliage and trees that are in keeping with Oakwell Hall and the surrounding areas. It is inkeeping with the character of the properties all along Bradford road. Adjustments to the property for 10, 1 bedroom flats will be on the roadside and will look shockingly different to its neighbours. It is on the main road incurring traffic on an already small turning point. The dancing house, due to its size, provides jobs, dance, yoga, gymnastics and support for the needy in the community. Providing welfare and a sense of togetherness that would be lost and not transferable to any other venue in the area.
