<p>The dancing house runs a thriving business that supports alot of families and children to participate in serveral dance classes. This is great for the community and somewhere children and adults alike can form friendships and a build a close community bond which after COVID is very much needed.</p> <p>If the flats were to go ahead the business would have to find new premises which would not carry the same history and character as the dancing house does today. I believe strongly that it should remain for years to come and would love to continue to support this local business.</p>
