| <p>The plans do not provide any of the access, Oddfellows buildings have been offered as easement in the past, for the placement of wheelie bins from the rear of our properties to Deighton Road. It is a requirement from Kirklees council that we take the bins to Deighton Road and there is no other safe way of doing so from the back of the building, where the bins have been situated since the council introduced the use of wheelie bins.</p> |     |
