6. Conclusion

The proposal is considered to be acceptable in principle in respect of extensions to the east and south elevations of the property. No information has been provided on materials and no elevation drawings have been provided so this is contingent on the recommendations set out above. The applicant is advised of the 'comply or justify' approach set out within the Kirklees House Extensions and Alterations SPD. It is recommended that a householder application for planning permission is submitted should the applicant so desire.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
