**In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses consent to:-**

**ADVERTISEMENT CONSENT FOR ONE BANNER SIGN**

**At:** 66, MARKET PLACE, WESTGATE, HECKMONDWIKE, WF16 0HX

**In accordance with the plan(s) and applications submitted to the Council on 03-Nov-2022. The reasons for the Council's decision to refuse consent for the advertisement(s) to be displayed are:-**

1. The proposed banner sign, by reason of its size, and prominent location, would cause harm to visual amenity. Therefore, it would fail to respect the character of the locality and would cause harm to the quality and character of place. The proposal is, therefore, deemed contrary to Policies LP24 and LP25 of the Kirklees Local Plan and paragraph 136 of the National Planning Policy Framework.

2. The proposed banner sign, by reason of its poor-quality materials, size, and prominent location would cause a high level of harm to the setting of the adjacent Grade II Listed Building (66 Market Place), with no justification provided to outweigh this harm. Therefore, it would fail to preserve or enhance the significance of the heritage asset. The proposal is, therefore, deemed contrary to Section 66 of the Planning (Listed Buildings and Conservation Areas) Act 1990, Policies LP25 and LP35 of the Kirklees Local Plan and paragraphs 192 and 200 of the National Planning Policy Framework.

Plans and specifications schedule:

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority has, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application.

The case officer did not undertake negotiations with the applicant because it was considered that the planning concerns could not be overcome by the submission of amended or additional plans.

#### **Development within a Coal Mining Area**

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:  
[www.gov.uk/government/organisations/the-coal-authority](http://www.gov.uk/government/organisations/the-coal-authority)

### **Digital Infrastructure: Fibre To The Property (FTTP)**

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

To discuss the benefits that FTTP may have for your development, please contact Carl Tinson in Kirklees Council's Digital Team at [carl.tinson@kirklees.gov.uk](mailto:carl.tinson@kirklees.gov.uk)

**Note:** The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

**Note:** Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

### **Appeals to the Secretary of State**

If you are aggrieved by the decision of your Local Planning Authority to refuse this application, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

All advertisement appeals have to be submitted to the Secretary of State within 8 weeks of the date of issue of the Local Planning Authority's decision against which you are appealing.

Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/appeal-planning-decision>. Further information on the Planning Appeal process can be found online at the Planning Inspectorate's website <https://www.gov.uk/government/organisations/planning-inspectorate>.

You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted advertisement consent or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
