

**Consultation Response from KC,
Highways Development Management**

2022/93568 McDonalds, Centre 27 Business Park, Bankwood Way, Birstall, Batley, WF17 9TB

Installation of 1 rapid electric vehicle charging station within the car park of McDonald's, along with associated equipment.

Date Responded: 04/01/2023

Responding Officer: David Stainsby

Responding Ref: K13-9/1

RECOMMENDATION:

Highways Development Management support the application.

The Council wishes to promote and encourage the use of ultra low emission vehicles due to their air quality benefits

Therefore, the proposed Installation of 1 rapid electric vehicle charging station within the car park of McDonald's, along with associated equipment is supported by Highways Development Management.
