<p>This seems to be a retrospective application for what we guessed was happening at this house (online pharmacy). We incorrectly assumed that this business must have been already approved.</p> <p>There has definitely been an increase in van traffic in an around the cul-de-sac. The vans tend to fly around the cul-de-sac at speed and often block the road when they are picking up and dropping off.</p> <p>Also, I don't know the legality of it but storing drugs in a residential property seems very wrong.</p>
