Dear Sir
Further to Councillor Smith's and Councillor Burke's Letter of 6th December 2022 ref LW/008/TH.
With regard the above application I must point out the statement made to you is inaccurate. As I live close to the opening of the cul de sac to Grimescar Meadows I notice the vehicles that are delivering to the above address,it far exceeds the numbers that the application indicates.
Furthermore drivers sometimes drive too quickly whilst also mounting the pavement as the roadway is shared with a pedestrian way. Parking is also limited with a few designated visitors parking spaces being parked upon by the employees of the online pharmacy for the duration of the workday.Noisy deliveries are also a concern with slamming doors and loads being unloaded and loaded. This is a small residential setting with a shared pavement to the highway and dangers of collision with pedestrians, and other vulnerable users have increased let alone the inconvenience to residents of these unwanted deliveries
Yours faithfully
