Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England) Order
2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2022/62/94114/W

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

ERECTION OF SINGLE STOREY REAR EXTENSION

At: 8, CROSS CHURCH STREET, PADDOCK, HUDDERSFIELD, HD1 4SN

In accordance with the plan(s) and applications submitted to the Council on 10-Jan-2023, except as amended or specified, details of which can be found in the table below. The reasons for the Council's decision to refuse permission for the development are:

1. The development, by virtue of its siting, bulk and massing and flat roof design together with it extending to existing extensions, results in a dwelling covering the majority of the plot with an overly complicated rear elevation, and thereby cumulatively represents an overdevelopment of the site that appears as an incongruous addition in the locality. The addition is therefore an unsympathetic form of development to the host building and within the locality, which causes detrimental harm to the visual amenities of the host building and the locality. The development is therefore contrary to Policy LP24 of the Kirklees Local Plan, Key Design Principles 1 and 2 of the Council's adopted House Extensions and Alterations Supplementary Planning Document and Government guidance contained within Chapters 12 of the National Planning Policy Framework.

2. The development, by virtue of its solid construction and its extended bulk and massing close to the shared boundary with No.10 Cross Church Street, causes undue harm to the amenities of No.10 Cross Church Street in terms of overbearing and overshadowing the rear garden area of No.10 as well as overshadowing, loss of outlook and loss of light to the rear elevation window of No.10. In addition, the development erodes the private amenity space of No.8 Cross Church Street to such an extent that it fails to retain a proportionate and adequate private outdoor amenity space available to future and present occupiers. The development is therefore contrary to Policy LP24(b) of the Kirklees Local Plan, Key Design Principles 4, 5 and 7 of the Council's adopted House Extensions and Alterations Supplementary Planning Document and Chapter 12 of the National Planning Policy Framework.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. For the reasons provided, the development does not improve the visual or residential amenity of the area and present/future occupants, and given the significant concerns with the development, Officers moved to refuse the application.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision then you must do so within 12 weeks of the date of this notice.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) 12 weeks of the date of this notice,which ever period expires earliest.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorates Website](#) . Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#).
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.
