<p>these properties would danger pedestrians as there isn't any pavement until number 2 Hoyle ing. the road and parking is already at capacity and cannot cope with anymore traffic. the properties will directly overlook ours and would be able to look straight in which would invade our privacy and sunlight would be affected. we can only park outside our home on the road due to no driveway we have a blue badge holder who needs to be able to park close to home any houses and driveways opposite would remove the ability to park close to home ensuring access would be limited and parking non existent.</p>
