<p>The statutory Planning Notices that have been displayed around the area have the WRONG DATE (...within 21 days of the date... 04/08/2020 !) on them. As such I believe they are invalid - a casual observer would be led to believe it is an expired notice and therefore would be deterred from making comments. This error should be corrected - new notices should be posted with a correct date and thus a further extended period for commenting is required.</p>
