| Having read that the owner of no 2-4 Geldered Road (The Tattoo / Beauty parlour) welcomes this proposed new store, I can only assume it is because the accompanying car park would possibly offer parking for it's customers. Currently there is no parking of any kind for these two businesses with clients /owner often parking on the pavement outside the business. Providing free parking for a neighbouring business is not a good enough reason to allow this store to be built. It is the local residents who will suffer from the traffic congestion and the businesses in the village. | |
