<p>The junction is a nightmare already. Traffic management system is currently terrible. There are traffic jams every day all the way from Birstall Smithies lights up Huddersfield Road on to Geldard road and, from traffic lights at this junction between the 2 roads, all the way up Leeds road. Access to the new store at this junction is ridiculous. This also seems unnecessary. Birstall is already served by an ample selection of small traders as well as Coop, Tesco and a mini-market. There is also already a Sainsbuys local approximately 1 mile away at Gomersal Hilltop.</p>
