2023/90024 George Hotel, St George's Square, Huddersfield, HD1 1JA

Partial demolition of a Listed Building to facilitate refurbishment and extension of the George Hotel to form a 90+ room C1 hotel with associated ancillary uses (including bar, restaurant, gym, conference room) (within a Conservation Area)

The proposals will not impact on the trees around and adjacent to the George Hotel. The trees around the hotel are within the public realm and provide amenity value now and have the potential to mature and contribute to the setting of the hotel, square and station for many years.

I would have no objection to the proposals.
