<p>Comments made on behalf of Huddersfield Civic Society.</p> <p>The Civic Society concurs with the comments made by the Kirklees Conservation and Design Officer. The siting of the pole is directly in front of the Grade 2* Old Longley Hall and related Grade 2 buildings. The hall is not only one of the most architecturally important buildings within Huddersfield but, arguably, a building that represents the most important historic link with the Ramsden family in their associations with the development of the town.</p> <p>Siting of the pole would be detrimental to the setting of the hall and demonstrate insensitivity in recognising the importance of this group of buildings.</p> <p>An alternative site should be identified.</p>
