I am writing with reference to the proposed alterations to No 1. Yew Tree Gardens Birchencliffe, Huddersfield, HD3 3ZS,

My wife and I are concerned that that the proposed Juliet Balcony together with the two skylight windows will total six windows over looking our bungalow, and will look directly into our bedroom and conservatory.

We would request that the plans be given further consideration with the above comments in mind.

Thank you,

7 Birchington Close, Birchencliffe, Huddersfield, HD3 3RE
