<p>If you go past this scrapyard you will see the cars and parts built up in the area, a lot of dirt and debris littered in the entrance way and on the main road, there are cars blocking the main road and entrance which can be hazardous and inconvenient for other drivers and residents. The area is an eyesore and ruins the natural landscape as it is adjacent to the greenway. A new residential property will be more fitting, safe and aesthetically pleasing. There are many places where car parts can be bought in the surrounding area of thornhill, batley and dewsbury.</p>
