Design and appearance - The height of the building will be opposing to the neighboring bungalow. Privacy - there is a bedroom window directly overlooking the neighboring property and garden. Noise and disturbance - The increase of noise and dirt due to the building being almost on top of the neighbors home will be overwhelming for the occupant to endure (during the build nd when occupied). There is currently a driveway width between the the houses and rooms that are lived in. Number 6 Southfield court is denying any access onto the property in order to assist this build.
