Dear Sir or Madam (DEAR SIR MR MATHIAS FRANKLIN)

Re:- PLANNING APPLICATION FOR 8 SOUTHFIELD CT. 2023/90219

MY 3 FT Path at the side of my Bungalow is fenced off as it is my side to FENCE and is not available for use by any BUILDER on older property. MR OMAR ETIENNE came to no 8 & I spoke to him & showed him my Path. which is very restricted now with a over hanging guttering from no 8. restricting my access to my detached Bungalow. PTO

Regarding the new new extention I am very upset. I have not been informed that a planning application has been made. At Present I appear to be attached to No 8., Although my Bungalow is regarded as being Detached. I would like someone to come to see me about this.

I object to a new construction that is so close to my home. Neither my home nor No 8 can be maintained. (NO SPACE WHAT EVER to mantain the South wall of No 8.

Best Wishes
