<p>As a Bridge Street resident I comment as someone frustrated by the chaos on Bridge Street caused by cars and large lorries. From a personal standpoint the removal of this clause will not help an already dreadful situation. From a community standpoint I also object. There is huge pressure on parking across the village. The project should be pushed to find an inventive solution to help this congestion. Please Kirklees Council do not let this company get out of their responsibilities by stealth.</p>
