1. This statement has been prepared to support a planning application for the erection of a community sports complex on King Cliffe Road, Birkby.

2. This document provides background information on the matters taken into account in ensuring the building is secure and contributes to crime prevention in the area.

3. The building will be fitted with PAS 24 locks.

4. The side and rear of the building will be secure with lockable gates.

5. The building mainly provides space for sporting activities with very few objects of value stored within the building.
