Consultation Response from KC,
Trees

2023/90348 Former Hillhouse Bowling Club, King Cliff Road, Birkby, Huddersfield, HD2 2RR

Erection of community sports complex (within a Conservation Area)

Date Responded:13/6/23
Responding Officer: M Moss
Responding Ref: CA54

No major concerns regarding this proposal but would like to see some basic tree information provided.

There are no trees within the site internally however, there are trees around the perimeter which will likely need to be cut back in places to facilitate development and there will a requirement to install some protective fencing to ensure unnecessary damage is not caused to trees/roots during construction.

Tree survey, method statement and tree protection plan required.
