APPLICATION no
2023/62/90349/E

Dear Sir.

As a resident of Park View Cleckheaton
BD19 3AN. I would like to put forward my
objection to a proposed development on a plot
of land adj to no 11 Park View. This is a
small plot of land which has been contaminated
with oil, petrol etc by being used as a
scrap yard! The land used to be a garden
until it was acquired by the people who turned
it into a "working scrap yard". A large container
was put on the site. Far from suitable, for
what is very much a residential area! This has
now been removed.

Yours sincerely
