Subject: RE: 2023/90467 - 33, Wilshaw Road, Meltham, Holmfirth, HD9 4DZ - Demolition of electric gate and drystone wall and erection of new drystone wall

Hi John,

Thank you for forwarding on the detail of the proposed side gates. Having reviewed the detail, I am satisfied with the detail of the proposed gates.

Regards,

Sebastian Pickles – MSc, IHBC
Senior Conservation Officer

Hi John,

As discussed just now, please see below a picture of the proposed style of gate, which is composite painted in a light grey - note this would be a c.4m long gate sliding cantilever gate, at a height to match the drystone walls. We would be using local firm GateMasters based in Shelley to do the works.

For reference, please also see below/ attached the existing gate, in a darker grey with exposed steel, which is much larger! (I think over 8m long!).

Look forward to hearing back, fingers crossed we get a response in April!

Best

Dear Mr Bennett

I write with regard to the above application.

Please find attached the response of the Conservation Team.

Please note that the submission of amended plans and further information does not necessarily mean that any grant of approval will be automatically forthcoming, this email is sent with the intention of being helpful and informative however it cannot be considered binding upon the council in making a decision upon this application.

Regards

John Holmes
