Subject: 6 & 8 Peat Ponds re: application number: 2023/62/90555/W

Hi,

A door has been installed on the road at the above property, reference: existing elevation ID 977035 EX0020A. There is no door but the architect has shown that a door is there, and the builder has already installed the door as well. They are also asking for the garden in front of the door and this will obstruct the access to the entrance to 10 Peat Ponds and make it very difficult to access the drive.

ID 977037 for the garden.
