Sir

On 27 March I lodged an opinion/objection on the application made on behalf of East Bierley Cricket Club.

I would like to add a photograph which I feel supports my concerns regarding the parking issues on South View Road.

This photograph was taken at approximately 10.30 am on Sunday 2 April 2023. As far as I can see, there is no event or practise happening.

Parking is always an issue on this section of South View Road, so I am at a loss to understand the view that there is adequate local parking to accommodate additional needs during club events.

I would also point out that this is not only a bus route but also a 20mph speed limit zone suggesting speed and volume of traffic needs controlling.

I have lived opposite the club for many years and support the club as the heart of the village, but I would encourage the planners to visit the village when a cricket match is underway!
