<p>As a resident that lives next to the cricket club I fully support this proposal.</p> <p>The cricket club is the cornerstone of the community and has been for over 100 years, the economic environment that we will live in today is making it almost impossible for businesses to stay open as disposable income reduces as expenditures soar - If East Bierley Cricket Club had to shut this would be a huge blow to the community.</p> <p>The plans proposed are to entice more families to enjoy the amazing views whilst watching the cricket, modernising the facilities are imperative to attracting new and old customers, something I felt was well overdue for this part of the cricket club.</p> <p>Adequate parking is available away from the road at the bottom of the field, additional signage to help navigate customer in this direction can be improved to mitigate this issue.</p> <p>The management are always respectful of noise levels, music is switched off/down at a reasonable time - I don't see this changing with the new development.</p>
