Morning,

Please can you process this as a 5 day notice to remove the fallen tree from within the Birkby conservation area.

Regards

Matt

Hi,

One of the trees in my garden has fallen over due to the bad weather/strong winds on the 18th of Feb 2023.

I believe the area is a conservation area and therefore you require notice and information from me.

The tree has collapsed through my fence damaging it and also through the neighbouring house's fence breaking that also. There are parts of the tree which are likely to fall over again if there is more bad weather and this can potentially fall onto my house/through my conservatory.

I need to have the tree removed due to the damage and also due it now being dead and a danger.

Please see the attached images.

Is there any other information you require or any steps I need to take prior?

Thanks

Mohammed Asim
