I object to this development in general as it will increase traffic on an already overly busy road with a difficult access junction to the site. As a direct neighbour I also object to the hours of operation stated in the application. 7pm Monday to Friday with weekend and bank holiday working from early morning until 2pm. Evenings weekends and bank holidays are currently fairly quiet times when those of us who put up with noise all week can enjoy quieter time in our gardens and not be awoken early at weekends and bank holidays. I particularly object to Sundays and bank holidays being granted for noise reasons.
