Mr Dawkins told us he was planning to build a bungalow on the land, it is now a two story house and lean to. This will dominate our view and more importantly it will be overlooking our house with intrusion on our privacy. Already parked on site are 3 cars and 3 trailers. New residents will bring further vehicles. Additional street parking will occur causing more congestion on the narrow road. This part of Scopsley lane is a cul de sac and is already compromised with refuse wagons, delivery vehicles etc. we therefore are strongly opposed to the planning application.
