Hi William

Having reviewed the latest information for this application in relation to Condition 37 – Artificial Lighting. I DO NOT agree with the use of Bollard Lighting for the shown vehicle parking spaces for the reasons already put forward to the applicants. This is in line with the submitted NPPF and Local Plan Policies as shown on all of my responses to date for this application.

Please DO NOT discharge Condition 37 until the applicants can supply a satisfactory lighting design for this scheme.

Kind regards

**Richard Thornton MSyI**
